Welcome to Imagine Bella Academy of Excellence,

We are very excited to announce that Imagine Bella Academy has collaborated with Final Forms, an online forms and data management service. FinalForms allows you to complete and sign enrollment forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

Review the Parent Playbook (attached) to get started in FinalForms. If you require any support during the process or to schedule an appointment to come in and complete the online enrollment packet, contact Mrs. Jackson 9am-1pm Monday-Friday at 216-481-1500

Custodial parents/guardians MUST complete an enrollment packet for all **NEW students online through the Final Forms portal.**

Please register and follow the prompts to create your account, and your child's account, upload required documents from the ease of your smartphone or computer, as well as sign all required forms.
