

School Overview

[Print](#)

The Ohio School Report Cards include performance information provided by schools and districts including academic, financial, and opportunity to learn data. Some of this data is then combined into six components that receive star ratings to indicate the level of performance for the school and district.

Achievement

This component represents whether student performance on state tests met established thresholds and how well students performed on tests overall.

Needs support to meet state standards in academic achievement.

[View More Data](#)

Progress

This component looks closely at the growth all students are making based on their past performances.

Significant evidence that the school exceeded student growth expectations by a larger magnitude.

[View More Data](#)

Gap Closing

The Gap Closing Component is a measure of the reduction in educational gaps for student subgroups.

Exceeds state standards in closing educational gaps

Early Literacy

The Early Literacy Component is a measure of reading improvement and proficiency for students in kindergarten through third grade.

Needs significant support to meet state standards in early literacy (K-3).
